

**INTEGRATED SPECTACLES AND DISPLAY UNIT FOR  
COMPUTERS AND VIDEO**

ABSTRACT OF THE DISCLOSURE

A pair of data-specs is provided. The pair of  
5 data-specs includes a pair of spectacles adapted to  
be worn on the face of a person, and a projection  
unit coupled to the spectacles. The projection unit  
is adapted to display data received from a computer,  
or a television set.
